ABSTRACT

This supplement to the Education for AIDS Prevention Bibliography provides a list of titles received by ASERC (AIDS School Education Resource Centre) from August 1991 to December 1992, consisting mainly of educational material for schools. It also includes documents of a more general nature on AIDS and AIDS prevention. ASERC is a documentation center for education on AIDS prevention among young people of school-age. The ASERC collection, of over 2,000 titles, includes a variety of audiovisual materials received from many different countries. Each entry in this supplement includes a masterfile number, a physical description of the document (e.g., book, periodical, and so forth), the work's author, the publisher, the source, the language in which the work appears, the number of pages, availability of the title, and descriptors which offer further information about the piece. An alphabetical list of the descriptors used and a list of references organized by descriptor appear in the back. (RJM)

INTRODUCTION / INTRODUCTION / INTRODUCCION

❖ This supplement to the Education for AIDS Prevention Bibliography provides a list of titles received by ASERC (AIDS School Education Resource Centre) from August 1991 to December 1992, consisting mainly of educational material for schools. It also includes documents of a more general nature on AIDS and AIDS prevention.

Situated within the Documentation and Information Service of UNESCO's Education Sector (ED/SDI), ASERC is a documentation centre for education on AIDS prevention among young people of school-age, which was created in 1988 with WHO financing. The Swedish Government has now taken on the funding of this centre.

The ASERC collection, of over 2,000 titles, includes a variety of audiovisual documents (video films, posters, slides, etc.), received from many different countries.

Availability of documents:

- Please apply direct to the publishers for titles not published by UNESCO. The publishers' addresses are supplied in most cases.

- The complete collection of documents and other material available at ASERC may be consulted at the Documentation and Information Service of UNESCO's Education Sector, from where documents published by UNESCO * may also be obtained.

Further information on UNESCO's activities in this field is available from the specialists working on the **Programme of Education for the Prevention of AIDS [Tel. : (33.1) 45.68.09.29].**

❖ Ce supplément à la Bibliographie sur l'éducation pour la prévention du SIDA contient les références bibliographiques de documents écrits collectés par l'ASERC (AIDS School Education Resource Centre), au cours de la période août 1991 - décembre 1992. Ces références portent sur le matériel pédagogique pour les écoles et sur l'information générale sur le SIDA et sa prévention.

Situé au sein du Service de Documentation et d'Information de l'UNESCO en matière d'éducation (ED/SDI), l'ASERC est le centre de documentation sur l'éducation pour la prévention du SIDA pour les jeunes en âge scolaire, créé en 1988 avec le soutien financier de l'OMS et soutenu actuellement par le gouvernement suédois.

L'ASERC dispose de plus de 2 000 titres écrits et de nombreux documents audio-visuels (films vidéo, affiches, diapositives, etc.) provenant des différentes régions du monde.

Pour la commande de documents :

- S'adresser directement aux éditeurs dont l'adresse est indiquée pour la plupart des références.

- Les documents et matériels disponibles à l'ASERC et les publications produites par l'UNESCO peuvent être consultés ou obtenus auprès du Service de Documentation et d'Information du Secteur de l'Education de l'UNESCO.*

Les spécialistes du **Programme d'éducation pour la prévention du SIDA** pourront fournir tout renseignement complémentaire sur les activités de l'UNESCO dans ce domaine **[Tél. : (33.1) 45.68.09.29].**

❖ Este suplemento de la Bibliografía de la educación para la prevención del SIDA contiene las referencias indizadas de documentos escritos reunidos por la ASERC (AIDS School Education Resource Centre), durante el período Agosto de 1991 - Diciembre de 1992. Estas notas bibliográficas corresponden a materiales pedagógicos para las escuelas y sobre información general sobre el SIDA y su prevención

Situado en el Servicio de Documentación y de Información de la UNESCO en materia de educación (ED/SDI), la ASERC es un centro de documentación sobre la educación para la prevención del SIDA para los jóvenes en edad escolar, creado en 1988 con el sosten financiero de la OMS y actualmente auspiciado por el gobierno sueco.

La ASERC dispone de más de 2 000 títulos escritos y entre otros, de varios documentos audiovisuales (películas video, afiches, diapositivas, etc.) que provienen de diferentes regiones del mundo.

Solicitud de documentos :

- Dirigirse directamente a los editores cuyas direcciones están indicadas en la mayoría de las notas bibliográficas

- Los documentos y el material disponible en la ASERC y las publicaciones producidas por la UNESCO pueden ser consultadas y obtenidas en el Servicio de Documentación e Información del Sector de Educación de la UNESCO.*

Los especialistas del **Programa de la Educación para la Prevención del SIDA** podrán dar toda información complementaria sobre las actividades de la UNESCO en esta área **[Tel.: (33.1) 45.68.09.29].**
